

## Lovefool – The Cardigans

[Kicking our evening off with the desperate sounds of the mid-90s]

Dear, I fear we're facing a problem  
You love me no longer, I know  
And maybe there is nothing that I can do  
To make you do

Mama tells me I shouldn't bother  
That I ought to stick to another man  
A man that surely deserves me  
But I think you do!

So I cry, I pray and I beg  
Love me love me  
Say that you love me  
Fool me fool me  
Go on and fool me  
Love me love me  
Pretend that you love me  
Leave me leave me  
Just say that you need me

So I cry, and I beg for you to  
Love me love me  
Say that you love me  
Leave me leave me  
Just say that you need me  
I can't care 'bout anything but you

Lately I have desperately pondered,  
Spent my nights awake and I wonder  
What I could have done in another way  
To make you stay

Reason will not lead to solution  
I will end up lost in confusion  
I don't care if you really care  
As long as you don't go

So I cry, I pray and I beg  
Love me love me  
Say that you love me  
Fool me fool me  
Go on and fool me  
Love me love me  
Pretend that you love me

Leave me leave me  
Just say that you need me

So I cry, and I pray for you to  
Love me, love me  
Say that you love me  
Leave me, leave me  
Just say that you need me  
I can't care 'bout anything but you...  
(Anything but you...)  
Love me, love me (Say that you love me)  
Fool me, fool me (Go on and fool me)  
Love me, love me (I know that you need me)  
I can't care 'bout anything but you..

### **You Make My Dreams Come True - Hall and Oates**

(Fun lil intro)  
What I want you've got  
And it might be hard to handle  
Like the flame that burns the candle  
The candle feeds the flame, yeah, yeah  
What I've got's full stock  
Of thoughts and dreams that scatter  
Then you pull them all together  
And how I can't explain  
Oh, yeah  
Well, well you  
(Ooh-ho, hoo-oo, ooh-oo)  
You make my dreams come true  
(You-hoo, you, you-hoo, hoo, you, hoo)  
Well, well, well you  
(You-hoo, hoo-hoo-oo)  
Oh, yeah  
You make my dreams come true  
(You make my dreams)  
Come true  
(You-hoo, you, you-hoo, hoo, you, hoo)

On a night when bad dreams become a screamer  
When they're messin' with the dreamer  
I can laugh it in the face  
Twist and shout my way out  
And wrap yourself around me  
'Cos I ain't the way you found me  
And I'll never be the same  
Oh, yeah  
Well, 'cos you

(Ooh-ho, hoo-oo, ooh-oo)  
You make my dreams come true  
(You-hoo, you, you-hoo, hoo, you, hoo)  
Well, well, well you  
(You-hoo, hoo-hoo-oo)  
You make my dreams come true  
(You make my dreams)  
Come true  
(You-hoo, you, you-hoo, hoo, you, hoo)

Listen to this

(do the listen dance)

I'm down on my daydream  
Oh, that sleepwalk should be over by now  
I know  
'Bout you  
Yeah, yeah  
You make my dreams come true  
(You-hoo, you, you-hoo, hoo, you, hoo)  
Oh, yeah  
I've waited, waited for you, girl  
(You-hoo, hoo-hoo-oo)  
Oh, yeah  
You make my dreams come true  
(You make my dreams)  
Come true  
(You-hoo, you, you-hoo, hoo, you, hoo)  
You and me, you and me...

(lot more of this until it ends- keep boppin')

### **Hold On - Wilson Phillips**

I know this pain  
Why do you lock yourself up in these chains?  
No one can change your life except for you  
Don't ever let anyone step all over you  
Just open your heart and your mind  
Is it really fair to feel this way inside?

Some day somebody's gonna make you want to  
Turn around and say goodbye  
Until then baby are you going to let them  
Hold you down and make you cry  
Don't you know?  
Don't you know things can change

Things'll go your way  
If you hold on for one more day  
Can you hold on for one more day  
Things'll go your way  
Hold on for one more day

(Angsty guitar solo)

You could sustain  
Or are you comfortable with the pain?  
You've got no one to blame for your unhappiness  
You got yourself into your own mess  
Lettin' your worries pass you by  
Don't you think it's worth your time  
To change your mind?

Someday somebody's gonna make you want to  
Turn around and say goodbye  
Until then baby are you going to let them  
Hold you down and make you cry  
Don't you know?  
Don't you know things can change  
Things'll go your way  
If you hold on for one more day  
Can you hold on for one more day  
Things'll go your way  
Hold on for one more day

I know that there is pain  
But you hold on for one more day and  
Break free from the chains  
Yeah I know that there is pain  
But you hold on for one more day and you  
Break free, break from the chains

Someday somebody's gonna make you want to  
Turn around and say goodbye  
Until then baby are you going to let them  
Hold you down and make you cry  
Don't you know?  
Don't you know things can change  
Things'll go your way  
If you hold on for one more day yeah  
If you hold on

Don't you know things can change  
Things'll go your way  
If you hold on for one more day,

If you hold on  
Can you hold on  
Hold on baby  
Won't you tell me now  
Hold on for one more day 'Cause  
It's gonna go your way

Don't you know things can change  
Things'll go your way  
If you hold on for one more day  
Can't you change it this time

Make up your mind  
Hold on  
Hold on  
Baby hold on

### **Alone – Heart**

I hear the ticking of the clock  
I'm lying here the room's pitch dark  
I wonder where you are tonight  
No answer on the telephone  
And the night goes by so very slow  
Oh I hope that it won't end though  
Alone

[full ballad mode]

Till now I always got by on my own  
I never really cared until I met you  
And now it chills me to the bone  
How do I get you alone  
How do I get you alone

You don't know how long I have wanted  
To touch your lips and hold you tight, oh  
You don't know how long I have waited  
and I was going to tell you tonight  
But the secret is still my own  
and my love for you is still unknown  
Alone

[Power up for this]

Till now I always got by on my own  
I never really cared until I met you  
And now it chills me to the bone  
How do I get you alone

How do I get you alone

[Musical interlude]

How do I get you alone

How do I get you alone

Alone, alone

### **Part-Time Lover – Stevie Wonder**

[Dancing time]

Call up, ring once, hang up the phone

To let me know you made it home

Don't want nothing to be wrong with part-time lover

If she's with me I'll blink the lights

To let you know tonight's the night

For me and you my part-time lover

We are undercover passion on the run

Chasing love up against the sun

We are strangers by day, lovers by night

Knowing it's so wrong, but feeling so right

If I'm with friends and we should meet

Just pass me by, don't even speak

Know the word's "discreet" when part-time lovers

But if there's some emergency

Have a male friend to ask for me

So then she won't peek its really you my part-time lover

We are undercover passion on the run

Chasing love up against the sun

We are strangers by day, lovers by night

Knowing it's so wrong, but feeling so right

(Part time lovers. Part time lovers.)

We are undercover passion on the run

Chasing love up against the sun

We are strangers by day, lovers by night

Knowing it's so wrong, but feeling so right

I've got something that I must tell

Last night someone rang our doorbell

And it was not you my part-time lover

And then a man called our exchange

But didn't want to leave his name

I guess that two can play the game

Of part-time lovers

You and me, part-time lovers  
But, she and he, part-time lovers

### **Voices Carry – 'Til Tuesday**

I'm in the dark, I'd like to read his mind  
But I'm frightened of the things I might find  
Oh, there must be something he's thinking of  
To tear him away-a-ay  
When I tell him that I'm falling in love  
Why does he say-a-ay

Hush hush, keep it down now, voices carry  
Hush hush, keep it down now, voices carry  
Uh-ah

I try so hard not to get upset  
Because I know all the trouble I'll get  
Oh, he tells me tears are something to hide  
And something to fear-eh-eh  
And I try so hard to keep it inside  
So no one can hear

[I hope everyone is appreciating the sweet synth sounds in this song]

Hush hush, keep it down now, voices carry  
Hush hush, keep it down now, voices carry  
Hush hush, keep it down now, voices carry  
Uh-ah

Oh!  
He wants me, but only part of the time  
He wants me, if he can keep me in line

Hush hush, keep it down now, voices carry  
Hush hush, keep it down now, voices carry  
Hush hush, shut up now, voices carry  
Hush hush, keep it down now, voices carry  
Hush hush, darling, she might overhear  
Hush, hush - voices carry

He said shut up - he said shut up  
Oh God can't you keep it down  
Voices carry  
Hush hush, voices carry

I wish he would let me talk

[Love is a real pain. All these secrets!]

### Careless Whisper – George Michael

[The sexiest of sax intros ever]

I feel so unsure

As I take your hand and lead you to the dance floor

As the music dies, something in your eyes

Calls to mind the silver screen

And all its sad good-byes

I'm never gonna dance again

Guilty feet have got no rhythm

Though it's easy to pretend

I know you're not a fool

Should've known better than to cheat a friend

And waste the chance that I've been given

So I'm never gonna dance again

The way I danced with you

Time can never mend

The careless whispers of a good friend

To the heart and mind

Ignorance is kind

There's no comfort in the truth

Pain is all you'll find

I'm never gonna dance again

Guilty feet have got no rhythm

Though it's easy to pretend

I know you're not a fool

I should've known better than to cheat a friend

And waste the chance that I've been given

So I'm never gonna dance again

The way I danced with you

(Never without your love)

Tonight the music seems so loud

I wish that we could lose this crowd

Maybe it's better this way

We'd hurt each other with the things we'd want to say

We could have been so good together

We could have lived this dance forever

But no one's gonna dance with me  
Please stay

And I'm never gonna dance again  
Guilty feet have got no rhythm  
Though it's easy to pretend  
I know you're not a fool

Should've known better than to cheat a friend  
And waste the chance that I've been given  
So I'm never gonna dance again  
The way I danced with you

Now that you're gone  
(Now that you're gone)  
What I did's so wrong, so wrong  
That you had to leave me alone  
[Go ahead and think about what you've done  
while you carelessly whisper to yourself until the end of this song]

### **Landslide – Fleetwood Mac**

I took my love, I took it down  
I climbed a mountain and I turned around  
And I saw my reflection in the snow-covered hills  
'Till the landslide brought me down

Oh, mirror in the sky, what is love?  
Can the child within my heart rise above?  
Can I sail through the changing ocean tides?  
Can I handle the seasons of my life?

Well, I've been afraid of changing  
'Cause I've built my life around you  
But time makes you bolder  
Even children get older  
And I'm getting older too

(Nice lil break)

Well, I've been afraid of changing  
'Cause I've built my life around you  
But time makes you bolder  
Even children get older  
And I'm getting older too  
Oh, I'm getting older too

Oh, take my love, take it down

Oh, climb a mountain and turn around  
And if you see my reflection in the snow-covered hills  
Well the landslide will bring it down  
And if you see my reflection in the snow-covered hills  
Well the landslide will bring it down, oh oh  
The landslide will bring it down

### **Linger - The Cranberries**

(Long, dreamy intro)

If you, if you could return  
Don't let it burn  
Don't let it fade  
I'm sure I'm not being rude  
But it's just your attitude  
It's tearing me apart  
It's ruining every day

I swore, I swore I would be true  
And fellow, so did you  
So why were you holding her hand?  
Is that the way we stand?  
Were you lying all the time?  
Was it just a game to you?

But I'm in so deep  
You know I'm such a fool for you  
You've got me wrapped around your finger  
Do you have to let it linger?  
Do you have to, do you have to, do have to let it linger?

Oh, I thought the world of you  
I thought nothing could go wrong  
But I was wrong, I was wrong

If you, if you could get by  
Trying not to lie  
Things wouldn't be so confused  
And I wouldn't feel so used  
But you always really knew  
I just want to be with you  
And I'm in so deep

You know I'm such a fool for you  
You've got me wrapped around your finger  
Do have to let it linger?  
Do you have to, do you have to, do have to let it linger?

(Dreamy dance break)

And I'm in so deep  
You know I'm such a fool for you  
You've got me wrapped around your finger  
Do have to let it linger?  
Do you have to, do you have to, do have to let it linger?

You know I'm such a fool for you  
You've got me wrapped around your finger  
Do have to let it linger?  
Do you have to, do you have to, do have to let it linger?

(Dance it out)

### **Fantasy - Mariah Carey**

Oh, when you walk by every night  
Talking sweet and looking fine  
I get kind of hectic inside  
Oh, baby, I'm so into you  
Darling if you only knew  
All the things that flow through my mind

But it's just a sweet, sweet fantasy, baby  
When I close my eyes you come and take me  
On and on and on, it's so deep in my daydreams  
But it's just a sweet, sweet fantasy, baby (fantasy)  
(And I want you so bad)

Images of rapture  
Creep into me slowly  
As you're going to my head  
And my heart beats faster  
When you take me over  
Time and time and time again

But it's just a sweet, sweet fantasy, baby  
When I close my eyes you come and take me  
On and on and on, it's so deep in my daydreams  
But it's just a sweet, sweet fantasy, baby

It's just a sweet, sweet fantasy, baby  
When I close my eyes you come and take me  
On and on and on, it's so deep in my daydreams  
But it's just a sweet, sweet fantasy, baby

I'm in heaven  
With my boyfriend, my laughing boyfriend  
There's no beginning and there is no end  
Feels like I'm dreaming but I'm not sleeping

Oh, it's just a sweet, sweet fantasy, baby  
When I close my eyes you come and take me  
On and on and on, it's so deep in my daydreams  
But it's just a sweet, sweet fantasy, baby  
Sweet, sweet fantasy, baby  
When I close my eyes you come and take me  
On and on and on, it's so deep in my daydreams  
But it's just a sweet, sweet fantasy, baby  
Sweet, sweet fantasy, baby  
Sweet, sweet fantasy, baby

## **INTERMISSION**

### **Take On Me – a-ha**

[Dance time again!]

We're talking away  
I don't know what  
I'm to say I'll say it anyway  
Today's another day to find you  
Shying away  
I'll be coming for your love, okay?

Take on me, (take on me)  
Take me on, (take on me)  
I'll be gone  
In a day or two  
[Can you sing that high?]

So needless to say  
I'm odds and ends  
I'll be stumbling away  
Slowly learning that life is OK  
Say after me  
It's no better to be safe than sorry

Take on me, (take on me)  
Take me on, (take on me)  
I'll be gone  
In a day or two

[So at this point: love is about sadness and heartbreak and secrets and synth interludes.]

Oh the things that you say  
Is it live or  
Just to play my worries away  
You're all the things I've got to remember  
You're shying away  
I'll be coming for you anyway

Take on me, (take on me)  
Take me on, (take on me)  
I'll be gone  
In a day

I'll be gone (take on me)  
In a day

### **Love My Way – The Psychedelic Furs**

(Beautiful synth intro)

There's an army on the dance floor  
It's a fashion with a gun, my love  
In a room without a door  
A kiss is not enough in

Love my way, it's a new road  
I follow where my mind goes

They'd put us on a railroad  
They'd dearly make us pay for laughing in their faces and making it our way  
There's emptiness behind their eyes, there's dust in all their hearts  
They just want to steal us all and take us all apart, but not in

Love my way, it's a new road  
I follow where my mind goes  
Love my way, it's a new road  
I follow where my mind goes

(Synth dance break!)

Love my way, it's a new road  
I follow where my mind goes, so swallow all your tears, my love  
And put on your new face  
You can never win or lose, if you don't run the raaaaace

Yeahhh, yeahhh, yeahhh

Aw ooooh,  
aw oooooh,  
aw oooooh,  
aw oooooh

(Repeat "Awwws" and dance!

### **Hold Me Now – Thompson Twins**

('nother great intro... get ready)

I have a picture,

Pinned to my wall.

An image of you and of me and we're laughing and loving it all.

Look at our life now, tattered and torn.

We fuss and we fight and delight in the tears that we cry until dawn

Hold me now, warm my heart

Stay with me, let loving start (let loving start)

You say I'm a dreamer, we're two of a kind

Both of us searching for some perfect world we know we'll never find

So perhaps I should leave here, yeah yeah go far away

But you know that there's nowhere that I'd rather be than with you here today

Hold me now, warm my heart

Stay with me, let loving start (let loving start)

Hold me now, warm my heart

Stay with me, let loving start (let loving start)

Let loving start

Oooohhhhhh

You ask if I love you, well what can I say?

You know that I do and if this is just one of those games that we play

So I'll sing you a new song, please don't cry anymore

And then I'll ask your forgiveness, though I don't know just what I'm

Asking it for

Oh oh whoa, oh oh woahh-ohh

Hold me now (hold me in your loving arms)

Warm my heart (warm my cold and tired heart)

Stay with me (oooo stay with me)

Let loving start

Let loving start

(Repeat /\ FOUR MORE TIMES)

## Take My Breath Away – Berlin

(Very sexy, dramatic intro)  
Watching every motion  
In my foolish lover's game  
On this endless ocean  
Finally lovers know no shame  
Turning and returning  
To some secret place inside  
Watching in slow motion  
As you turn around and say

Take my breath away

Take my breath away

Watching I keep waiting  
Still anticipating love  
Never hesitating  
To become the fated ones  
Turning and returning  
To some secret place to hide  
Watching in slow motion  
As you turn to me and say, my love,  
Take my breath away

Through the hourglass I saw you  
In time you slipped away  
When the mirror crashed I called you  
And turned to hear you say  
If only for today  
I am unafraid

Take my breath away

Take my breath away

(KEY CHANGE)  
Watching every motion  
In this foolish lover's game  
Haunted by the notion  
Somewhere there's a love in flames  
Turning and returning  
To some secret place inside  
Watching in slow motion  
As you turn my way and say

Take my breath away

Take my breath away

Take my breath away

Take my breath away

**With or Without You – U2**

(Pretty serious intro... like, get ready)

See the stone set in your eyes

See the thorn twist in your side

I wait for you

Sleight of hand and twist of fate

On a bed of nails she makes me wait

And I wait, without you

With or without you

With or without you

Through the storm we reach the shore

You give it all but I want more

And I'm waiting for you

With or without you

With or without you

I can't live

With or without you

And you give yourself away

And you give yourself away

And you give

And you give

And you give yourself away

My hands are tied

My body bruised, she's got me with

Nothing to win and

Nothing left to lose

And you give yourself away

And you give yourself away

And you give

And you give

And you give yourself away

With or without you

With or without you  
I can't live  
With or without you

Aaahh oohhh  
Ohhh oh oh  
Aaaaah oooooh  
Ohhhh

With or without you  
With or without you  
I can't live  
With or without you  
With or without you

(Dance outro, get angsty, let it all out)

### **My Heart Will Go On - Celine Dion**

(FLUTE INTRO)

Every night in my dreams  
I see you, I feel you  
That is how I know you go on

Far across the distance  
And spaces between us  
You have come to show you go on

Near, far, wherever you are  
I believe that the heart does go on  
Once more you open the door  
And you're here in my heart  
And my heart will go on and on

**(MORE FLUTE DRAMA)**

Love can touch us one time  
And last for a lifetime  
And never let go 'til we're gone

Love was when I loved you  
One true time I hold to  
In my life we'll always go on

Near, far, wherever you are  
I believe that the heart does go on  
Once more you open the door

And you're here in my heart  
And my heart will go on and on

**(Time to pull out all the breaks and GO FOR IT)**

You're here, there's nothing I fear  
And I know that my heart will go on  
We'll stay forever this way  
You are safe in my heart  
And my heart will go on and on

(Give yourselves a chance to recover....)

**I Want to Know What Love Is – Foreigner**

(GET READY)

I gotta take a little time, a little time to think things over  
I better read between the lines, in case I need it when I'm older  
Ooooh - ooooh

Now this mountain I must climb, feels like the world upon my shoulders  
Through the clouds I see love shine, it keeps me warm as life grows colder  
In my life there's been heartache and pain  
I don't know if I can face it again  
Can't stop now, I've traveled so far, to change this lonely life

I want to know what love is, I want you to show me  
I want to feel what love is, I know you can show me

I'm gonna take a little time, a little time to look around me  
I've got nowhere left to hide, it looks like love has finally found me

In my life there's been heartache and pain  
I don't know if I can face it again  
Can't stop now, I've traveled so far, to change this lonely life

I want to know what love is, I want you to show me  
I want to feel what love is, I know you can show me

I want to know what love is, I want you to show me  
(And I want to feel) I want to feel what love is  
(And I know) I know you can show me

Let's talk about love, I want to know what love is  
The love that you feel inside, I want you to show me  
And I'm feeling so much love, I want to feel what love is  
No, you just can't hide, I know you can show me

I want to know what love is (let's talk about love), I know you can show me  
I want to feel it too, I want to feel what love is  
I want to feel it too, and I know and I know, I know you can show me  
Show me love is real, yeah, I want to know what love is

(Repeat and fade AND SHOW US WHAT LOVE IS)

### **Tainted Love - Soft Cell**

Sometimes I feel I've got to  
Run away, I've got to  
Get away from the pain you drive into the heart of me  
The love we share  
Seems to go nowhere  
And I've lost my light  
For I toss and turn, I can't sleep at night

Once I ran to you (I ran)  
Now I'll run from you  
This tainted love you've given  
I give you all a boy could give you  
Take my tears and that's not nearly all  
Tainted love (oh)  
Tainted love

Now I know I've got to  
Run away, I've got to  
Get away, you don't really want any more from me  
To make things right  
You need someone to hold you tight  
And you think love is to pray/prey  
But I'm sorry, I don't pray that way

Once I ran to you (I ran)  
Now I'll run from you  
This tainted love you've given  
I give you all a boy could give you  
Take my tears and that's not nearly all  
Tainted love (oh)  
Tainted love

Don't touch me, please  
I cannot stand the way you tease  
I love you though you hurt me so  
Now I'm gonna pack my things and go

Tainted love (oh)  
Tainted love (oh)

Tainted love (oh)  
Tainted love (oh)

Touch me, baby, tainted love  
Touch me, baby, tainted love  
Tainted love (oh)  
Tainted love (oh)

Tainted love  
Tainted love

### **You Outta Know - Alanis Morissette**

I want you to know that I'm happy for you  
I wish nothing but the best for you both

An older version of me  
Is she perverted like me?  
Would she go down on you in a theatre?  
Does she speak eloquently?  
And would she have your baby?  
I'm sure she'd make a really excellent mother

'Cause the love that you gave, that we made wasn't able to make it enough for you to be open wide, no  
And every time you speak her name  
Does she know how you told me you'd hold me until you die, 'til you die?  
But you're still alive

And I'm here to remind you  
Of the mess you left when you went away  
It's not fair to deny me  
Of the cross I bear that you gave to me  
You, you, you oughta know

You seem very well, things look peaceful  
I'm not quite as well, I thought you should know

Did you forget about me,  
Mr. Duplicity?  
I hate to bug you in the middle of dinner  
It was a slap in the face  
How quickly I was replaced  
And are you thinking of me when you fuck her?

'Cause the love that you gave that we made wasn't able to make it enough for you to be open wide, no  
And every time you speak her name  
Does she know how you told me you'd hold me until you die, 'til you die?  
But you're still alive

And I'm here to remind you  
Of the mess you left when you went away  
It's not fair to deny me  
Of the cross I bear that you gave to me  
You, you, you oughta know

(Take a breather... get ready for MORE)

'Cause the joke that you laid in the bed: that was me, and I'm not gonna fade as soon as you close your eyes  
And you know it

And every time I scratch my nails down someone else's back I hope you feel it  
Well, can you feel it?

Well, I'm here to remind you  
Of the mess you left when you went away  
It's not fair to deny me  
Of the cross I bear that you gave to me  
You, you, you oughta know

I am here to remind you  
Of the mess you left when you went away  
It's not fair to deny me  
Of the cross I bear that you gave to me  
You, you, you oughta know
